Please respond to the following.

1. **Course Title:**
2. **Please provide a 150-word course description for inclusion in the catalogue that will be distributed to the community. Please include a connection to the title of the course, central questions and activities that will be the focus of instruction, and short description of a culminating project (if applicable). For example: *DUST BOWL* - A problem-based unit in which early elementary learners take on the role of a U.S. Department of Agriculture agent to discover the science concept of systems. Students will use the scientific process to explore plant physiology and find a solution for the dying plants, lack of rainfall, dry, dusty conditions, and the plight of many local farmers and ranchers in their grandparents' home town. Students will be able to apply the ideas involved in this class to a variety of systems including ecosystems, weather systems, and social systems. Come be a REAL scientist.**
3. **Please indicate the academic outcomes you anticipate a child will achieve as a result of being enrolled in your class. For example: *As a result of participating in the Dust Bowl students will be able to:***
 - **Use the scientific processes in a variety of settings; and**
 - **Understand the habits of mind necessary to conduct, record, and interpret data.**
4. **List which materials and supplies will be necessary to teach your class and the estimated cost of these materials. The C4K enrollment fee allows for each child to receive supplies of \$5 per class.**

5. **What type of a classroom space is necessary for you to successfully teach your class (e.g., discussion room, A/V equipment needed, etc.) If you have a specific space in mind, please list this.**

6. **Knox College for Kids will include 3 class periods within a two-week instructional session between June 11 and June 22, 2012. Please circle below which hours you would be available to teach. (Please keep in mind that it is MUCH easier for Knox College for Kids if you are able to teach any or all periods, but we will do our best to accommodate your scheduling needs.)**
First Hour: 8:30 a.m. until 9:30 a.m.
Second Hour: 9:40 a.m. until 10:40 a.m.
Third Hour: 10:50 a.m. until 11:50 a.m.

7. **REACH Fellows are Educational studies students who TA with an instructor during the morning session and participate in seminars during the afternoon. Are you interested in having a REACH Fellow in your course(s)? If so, what types of skills or knowledge may the RECAH Fellow need in order to best assist you?**

8. **Are you willing to teach an under-enrolled course? Full payment for a course assumes an enrollment of 16 students (\$475). Those courses that do not have full enrollment are paid on per student basis (\$30 per student).**

9. **Please list your t-shirt size.**

Your course proposal may be sent directly to Knox College for Kids, Box K4 or by email college4kids@knox.edu. Should you have any questions, please contact us by email (college4kids@knox.edu) or phone (341-7500).

Please return the course proposal no later than Friday, February 17, 2012
