

2010 Fire Statistics for On-Campus Student Housing Facilities Note: The Higher Education Opportunity Act of August 2008 has required that insitutions that maintain on-campus housing facilities publish an "Annual Fire Safety Report" which contains information regarding campus fire safety practices and standards of the insitution. The report should also contain information regarding the number and cause of each fire on the campus. The "**cause**" categories which will be used have been identified as: **Unintentional** and the result of: Cooking, Smoking Materials, Open flames, Electrical, Heating Equipment, Hazardous Products, Machinery/Industrial, Natural and Other. In addition to: **Intentional and Undetermined** fires.
