

Knox uses a two-part application process. All applicants should complete both the Common Application and the Common Application Supplement. You can submit the two parts in any order as long as both are mailed by the dates listed below. The Common Application is available at most secondary schools. It can also be downloaded from the Knox website at www.knox.edu/apply or from www.commonapp.org. Because of its widespread availability, Knox mails the Common Application only upon request. **If you plan to apply online, both the Common Application and the Supplement can be submitted electronically at www.commonapp.org.**
