

How to Look up a Provider and Print Your Virtual ID Card “Health Ticket”

Members:

In addition to online provider look up capabilities, you also have the ability to print a Virtual ID Card for any provider within your Health Plan. We recommend when visiting your health care provider, you print the **“Health Ticket”** to take with you to your visit.

This Virtual ID Card is called the **“Health Ticket”**

The **“Health Ticket”** looks like the ID card you have in your wallet; however if you’ve chosen a Network provider it can also include the provider and participants name. In addition, the **“Health Ticket”** also displays your benefit information, such as co-pays, deductibles, co-insurances, for such services as office visits, hospitals visits, surgical procedures, dental procedures, pharmacy generic or brand name co-pays and much more.

To find your provider and generate a **“Health Ticket”**, follow the instructions below:
