PPO

Provider Directory

This provider listing can help you find an independently contracted physician or hospital that participates in the Blue Cross and Blue Shield of Illinois PPO network. Because we are continually working to improve the PPO network, affiliations with hospitals and physicians can change over time. You are urged to check with your physician before undergoing treatment to confirm their PPO status, their participation in the PPO network for that specific practice location, and hospital affiliation. You can also call the Customer Service at the toll-free telephone number listed on your member ID card.

If you have questions regarding your specific benefit plan, please contact your Human Resource Department.
