

TRIO Team Leader

THE IMPORTANCE OF STUDENT LEADERS AT KNOX

Student leaders play a vital role in shaping the Knox College experience. While our leadership opportunities are diverse, each has the common goal of enhancing campus life, complementing the academic experience, and upholding the College's values of critical thinking, inclusivity, respect and support. Student leaders are able to affect change on campus through mentoring, advocacy, peer education and program development. They experience the fulfillment of service as well as the added benefit of marketable skills such as communication, conflict resolution, and time management.

A TRIO Team Leader is a successful returning TRIO participant who supports the role of TRIO advisors by assisting new TRIO participants with their first-year experience at Knox College during both the TRIO Bridge Program and the academic year through individual and group activities, as well as electronic/social media contacts.
