# 2019 KNOX COLLEGE 4 KIDS COURSE SELECTION

## IMPORTANT NOTICE: *College 4 Kids courses are first come, first served!*

We encourage you to register and pay online to ensure your course selection.  
Visit [www.knox.edu/college4kids](http://www.knox.edu/college4kids) or call 309-341-7238 to ensure your first choice of courses.

### Junior Program (rising 1st and 2nd grade students) - limited enrollment

Talent and skill development is as important for children leaving Kindergarten and first grade as it is for older students. In an effort to provide services to younger children, and to alleviate parental concerns, each child in our junior program takes three classes and is accompanied by teachers and college assistants at all times to ensure student safety. The classes are differentiated to ensure an appropriate level of challenge for all students. Classes explore literacy through dance movement and art making in hands-on interactive workshops! Our theme this summer is "Discovering Sustainability – an exploration through Art, Dance, and Nature."

### Course Selection (rising 3rd-8th grade students)

Students must be enrolled in a different class for all three class hours. **Please identify three choices, in order of preference, for each hour.** While attempts will be made to accommodate your first preference, registration is on a first come, first served basis. Knox College 4 Kids reserves the right to make appropriate substitutions where necessary due to over/under enrolled courses. Final course schedules will be sent to you no later than June 8, 2019.
