

REduce REuse REcycle REpeat

Disposables are one of the most complicated areas of sustainability. The one simple rule to remember is that choosing reusable plates, utensils, and cups instead of the kinds intended for single use (whether you recycle, compost, or trash them) is always a better choice.

- 1 **Buy** into the program for \$5.00 at the Hard Knox Café register with dining dollars, flex dollars, or credit/debit.
- 2 **Fill** up your container with your favorite Café or Gizmo items for breakfast, lunch, and dinner, and take your meal to-go.
- 3 **Eat** up, then clean up! Please wash your reusable container before returning.
- 4 **Return** your used container to the Hard Knox Café register in exchange for a new container the next time you are ready to eat.

What to know about

“CLAMSHELL” ECO-TAKEOUTS™

What are Eco-Takeouts™?

Eco-Takeouts™ are sustainable, reusable containers now available for taking your meals to-go from the café.

How does it work?

Simply bring your rinsed Eco-Takeout™ to the café to be supplied a clean and sanitized Eco-Takeout for your take-out meal.

Enjoy your meal there or anywhere!

When you are done, please rinse your Eco-Takeout™ and return to the café during the specified hours to exchange for a new one!

Can I bring a container from home?

No, for health and sanitation reasons, Eco-Takeout™ is the only approved container for taking meals out of the café.

Do I need to wash my Eco-Takeout™ before returning it?

Please rinse your Eco-Takeout™ if you are not returning it within the same meal period as used. Eco-Takeout™ must be free of any dried food when returned.
