What is Sexual Assault Awareness and Prevention Month?

- **SAAPM is in April, where it calls attention to how sexual violence is widespread and impacts everyone in the community**
- **This April marks the 22nd anniversary of SAAPM**
- **Systems of oppression such as racism, sexism, classism, heterosexism, ageism, and ableism contribute to higher sexual harassment, assault, and abuse rates.**

This Year's Theme is:

“Drawing Connections: Prevention Demands Equity.”
