

WHEN DOES BDSM/KINK TURN INTO ASSAULT/ABUSE?

Consent is required for all sexual activity. BDSM requires extensive conversations and clear communication to establish consent and trust between partners.

Consent

All parties are treated with respect

You know and trust your partner(s)

A safe-word/signal has been established

A contract may be established for more intense activities

Engaging in aftercare

vs.

Assault

One or more parties feels disrespected

Trust is broken by one or more partners' words/actions

A safe-word/signal is ignored

Engaging in activities that were not discussed before

Be aware of "subspace" and stop to reestablish boundaries mid-scene
