DIRECTOR OF ATHLETICS

DANIELLA IRLE

Dear K Club Members,

Thank you; as always, I am grateful for those of you who have demonstrated a continued commitment to support our athletic programs at Knox. Loyal K Club members are the “Team Behind the Team,” empowering student-athletes to realize their full potential through a robust experience on the playing field and in the classroom.

The experience our student-athletes receive and the relationships they build with coaches and teammates, through athletics, is pivotal in shaping and molding them into changemakers. As a K Club member, your gifts help us provide quality facilities and coaches, new equipment, and unique opportunities, all of which directly impact the student-athlete experience, and would not be possible without continued support.

This past year, and spring, in particular, was one that no one could have expected. Our 2020-2021 season will be significantly impacted as well as fall seasons are suspended and winter seasons shortened. Your support is vital and uplifting to our coaches and student-athletes. I encourage you to consider the value of the student-athlete experience and how that, in turn, plays a larger part in the success and well-being of the College. This year, even more so than years prior, we need you, the “Team Behind the Team” stronger than ever. Please renew your commitment to Knox athletics and be one of the most valuable members of the Prairie Fire team.

Go Fire!

K CLUB COORDINATOR

CREW KELLER

As your new K Club Coordinator since mid-March 2020, I fully understand and realize the value of NCAA Division III athletics. Division III is the purest form of intercollegiate athletic competition. No athletic scholarships are given, and you compete because you have an unmatched passion and love for the sport. I understand this and embody this as I was raised in a household governed by sports, particularly NCAA Division III athletics. Both of my parents combine for well over 40 years of coaching experience at this level. I also played in Division III as a dual-sport student-athlete at Nebraska Wesleyan University. With a double major and double minor in my pocket, I took in everything my college experience had to offer—and most of all, I loved every second of it.

As K Club Coordinator, I get to work with individuals on the K Club Engagement Council who share my same passions and love for NCAA Division III. This group, along with the support of alumni, family, and friends, provides life-changing experiences for our student-athletes via the K Club. We also create opportunities for our coaches to recruit top tier athletes and improve our athletic facilities along the way. The commitment of time, talent, and treasure by this group, and those who make up the K Club, highlights why Knox is the place to be.

Prairie Fire family, you understand this value of NCAA Division III athletics that I talk about too, whether you are a letterwinner, a current student-athlete, or a parent of a student-athlete. NCAA Division III athletics is the most well-rounded educational experience that an individual can receive, and here at Knox we provide that. I challenge you to think about the value that Knox athletics and the NCAA Division III athletics experience gave you. Over the course of the upcoming season I look forward to hearing your life-changing Knox stories.

We are the Prairie Fire!

PRAIRIE FIRE ATHLETICS

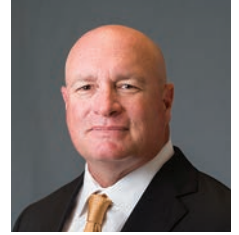

PERFORMANCE YEAR IN REVIEW

BASEBALL

Had 16 individuals receive MWC Academic All-Conference recognition.

“Sadly the 2019-20 season was cancelled due to COVID-19 and we said goodbye to nine very talented seniors. The 2020-2021 season will be a statement on how our program will adapt, improvise, and overcome.”

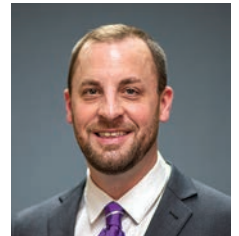

Jami Isaacson '92
Head Coach

MEN'S BASKETBALL

Ethan Meeker '21 received MWC Newcomer of the Year honors, as well as second-team all-MWC recognition.

“Last season was a good first step for the program as we increased our win total by eight games from the previous year and became competitive in the MWC. I am ecstatic about getting on campus and working with a group of experienced returners and newcomers.”

Ben Davis
Head Coach

WOMEN'S BASKETBALL

Led by Jarrelyn McCall '20 and Kyra Huffman '20, the Prairie Fire finished fourth in the MWC and earned a spot in the MWC tournament.

“During the 2019-20 season, we qualified for the MWC Tournament for the second time in three seasons. Also, it was the fifth consecutive season above .500. We are looking forward to the 2020-21 season with a young but talented squad.”

Emily Cline
Head Coach

MEN'S AND WOMEN'S CROSS COUNTRY

Hosted MWC Championships on 11/2/2019.

“I'm really pleased with how both our cross country teams pushed themselves last fall as nearly everyone set personal records. Heading into next year we have a group of super supportive student-athletes, and I'm looking forward to seeing the progress they make.”

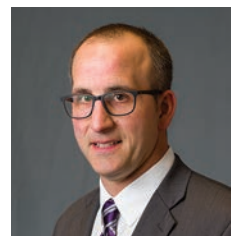

Evander Wells
Head Coach

FOOTBALL

Boasted a 3-1 record at the Knosher Bowl, highlighted by a 44-0 victory over Iowa Wesleyan, the largest shutout since 1970.

“The 2020 seniors achieved an amazing feat by compiling the top career win percentage of a class since 2005-08. I am excited to get back on campus and work with our program, which will have one of the biggest rosters in recent history.”

Damon Tomeo
Head Coach

PRAIRIE FIRE ATHLETICS

PERFORMANCE YEAR IN REVIEW

MEN'S GOLF

Recorded a team low score of 292 to beat Iowa Wesleyan, which was the lowest in Coach Harding's tenure.

"Last year's season was a difficult one to see get cut short with the team earning wins in three of the four tournaments in the fall. I am looking forward to this year's squad with the expectations being set very high. We are returning the entire roster and adding five new talented first years. The future is now!"

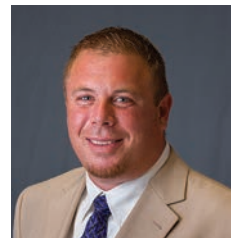

Kenneth Harding
Head Coach

WOMEN'S GOLF

Shelby Keen '21 finished 3rd in the SLIAC championship this past season.

"Last year's season was one of many highs. We were all pleased with a fifth place finish out of 12 teams in our first year of the SLIAC. I am really looking forward to seeing how this fall goes and helping Shelby Keen '21 earn her fourth straight year of being All-Conference."

Kenneth Harding
Head Coach

TRACK AND FIELD

Four student-athletes etched their names atop the Prairie Fire record books.

"It was extremely exciting to see the progress every student-athlete made during our indoor season! We had so many student-athletes move onto or up on the College's top ten list in their events and even a few school records being broken too. We're looking forward to an even stronger upcoming season!"

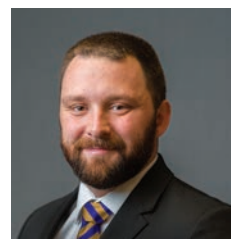

Evander Wells
Head Coach

MEN'S SOCCER

Compiled a 15-4-2 record, and outscored their opponents 45-21 on their way to the regular season conference championship.

"2019 saw us win our second conference title in three years, further continuing the tremendous success that we have experienced the past few years. Our team has a ton of depth and quality and are chomping at the bit to get going in 2020."

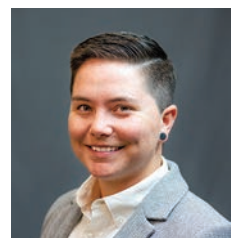

Brian O'Connor
Head Coach

WOMEN'S SOCCER

Won the regular season MWC title with a 13-5-3 record and outscored its opponents 38-14.

"Last season we brought home our fourth consecutive MWC regular season championship. We are bringing in a strong first-year class and are looking forward to getting back to practice to achieve even greater heights this upcoming year."

Taylor Houck
Head Coach

PRAIRIE FIRE ATHLETICS

PERFORMANCE YEAR IN REVIEW

SOFTBALL

Had 10 individuals receive MWC Academic All-Conference recognition.

“Despite losing our 2020 season to COVID-19, our team is ready to get back into action and looking forward to the 2021 season. With one of the biggest rosters since the early 2000s, KCSB Team #45 will be one of the strongest in recent history!”

Erin Rutledge
Head Coach

SWIMMING AND DIVING

Both men’s and women’s programs were named CSCAA Scholar All-American Teams.

“The team put in a lot of hard work this year and it paid off at the Conference meet with a lot of time drops. A highlight was Melissa Wood '20 setting a school record in the 200 Back in her last career race. We graduated a great group of seniors, but return a core group and have added some speed.”

Jonathan Powers
Head Coach

MEN’S TENNIS

Named an ITA All-Academic Team, with four ITA Scholar-Athletes.

“This past spring, although cut short due to COVID-19, was successful both on the court and in the classroom as the men’s team recorded the highest GPA on campus. I couldn’t be more proud to have coached this great group of young men!”

Meredith Witherell
Head Coach

WOMEN’S TENNIS

Named an ITA All-Academic Team, with four ITA Scholar-Athletes.

“This past fall, Bhumika Gupta '20 performed exceptionally well en route to a terrific season, but it was really the whole team who pushed her to that level. Collectively, this group also performed extremely well in the classroom, earning ITA All-Academic team honors.”

Meredith Witherell
Head Coach

VOLLEYBALL

Won the MWC Sportsmanship Award.

“Last season, the team was able to make some impressive changes to the culture and to the style in which they play the sport. I look forward to getting back to practice to keep the momentum going with this young, but talented, squad.”

Pat Barry
Head Coach

K CLUB EVENTS

Basketball Homecoming & National Girls and Women in Sport Day

Knox alumni came together at Basketball Homecoming on February 15. The annual alumni basketball game was followed by both the men's and women's teams coming out on top with wins against Beloit College, with the men winning 81-68 and the women winning 70-50. The day was even more special as it coincided with National Girls and Women in Sport Day, which was highlighted during halftime of the women's game. A dinner was held to celebrate all women student-athletes with letterwinner and surgeon Alison Snyder-Warwick '00 as the featured speaker.

Knox- Lombard Athletic Hall of Fame

The Knox-Lombard Hall of Fame recognizes the achievements of Knox's greatest athletes and teams. The 2019 inductees were Sam Barry, Matt Hayden '98, Tremier Johnson '91, and the 1986 Baseball Team.

Women in Athletics Brunch

The Knox College Athletics Department hosted the second annual Women in Athletics Brunch as part of Homecoming festivities last fall. The brunch honored the amazing contributions that the women of Knox College Athletics have made over the years.

K CLUB BY THE NUMBERS

K Club donations keep Knox Athletics competitive with other NCAA Division III institutions. Coaches can recruit student-athletes with a commitment to the classroom as well as a strong commitment to winning. Gifts to special projects keep our facilities state-of-the-art, ensuring the ability for peak athletic performance and stronger recruiting classes.

WHY K CLUB GIFTS MATTER

While sport-specific gifts will always be accepted, **the goal of the K Club is to come together as the “Team Behind the Team” and donate to the larger cause—Athletics as a whole which in turn supports ALL student-athletes and ALL teams.** Decisions on use of the funds annually are made by the director of athletics in consultation with the coaches.
